2025-02-20

PESTICIDE REGULATIONS, amendment

The Minister under section 10 of the *Pesticide Act* and every enabling power, makes the attached amendments to the *Pesticide Regulations*.

1. **These regulations amend the *Pesticide Regulations*.**
2. **The definition of "Act" in subsection 1(1) is repealed.**
3. **Paragraph 3(2)(f) is amended by deleting "and that the air carrier is licensed as a Class 7 specialty commercial air service licence for aerial application and distribution within the meaning of the *Air Carrier Regulations* (Canada) made under the *Aeronautics Act* (Canada)".**
4. **Paragraph 4(d) is repealed and replaced by:**
 - (d) if the applicant is a corporation, a certificate of compliance issued by the Registrar of Corporations that
 - (i) indicates the corporation has filed all annual returns required under the *Business Corporations Act*, and
 - (ii) is dated within one month of the date of the application;
5. **Section 10 is repealed and replaced by:**
 10. The holder of a permit must, in writing, notify the local fire department and an environmental health officer as defined in the *Public Health Act* of the location and description of any pesticide under their control.
6. **Subsection 12(2) is repealed and replaced by:**
 - (2) If a spill has occurred, a person may telephone the 24-Hour Spill Report Line at (867) 920-8130 for the purpose of notifying an inspector under subsection (1).
