- In the English version, the term "he or she", "his or her", and "him or her" have been changed to "they", "their", and "them" respectively and other related words have been consequently changed for grammatical agreement.

Disclaimer: the September 28, 2021 consolidation of the *Occupational Health and Safety Regulations* is based on earlier, non-official consolidations. Legislation Division has maintained record of all changes made in the non-official consolidations over time, and all the recorded changes are reflected in the table above. However, it is not possible to verify that every single change in the existing non-official consolidation was duly recorded.
