Additionally, there was an error in subsection 145(16) of the *Legislation Act*, S.Nu.,c.15, with respect to a provision to be amended in the *Nunavut Elections Act*. The correct provision is paragraph 7(2)(c), rather than paragraph 7(1)(c). The Chief Legislative Counsel considers this to be a clear error in cross-reference, and the change is to make the French version better correspond to the existing English version. This correction was first reflected in the text of the July 1, 2021 consolidation of the *Nunavut Elections Act*.

Disclaimer: the July 1, 2021 consolidation of the *Nunavut Elections Act* is based on earlier, non-official consolidations. Legislation Division has maintained record of all changes made in the non-official consolidations over time, and all the recorded changes are reflected in the table above. However, it is not possible to verify that every single change in the existing non-official consolidation was duly recorded.
